Bedouin shepherds

Bedouin shepherds whose animals were banned from entering the Najaf governorate - Qassem al-KAABI / AFP

Bedouin shepherds

Bedouin shepherds whose animals were banned from entering the Najaf governorate due to the spread of the Crimean-Congo hemorragic fever, walk alongside their grazing flock in the al-Henniyah area outside of Najaf, on May 23, 2022, during a sandstorm sweeping the country. Qassem al-KAABI/AFP
